

Dear Parents

It has been lovely to have your gorgeous children with us over the last 2 days. Classrooms are now back into routine and we look forward to, hopefully, an uninterrupted remainder of the year.

Thank you for your support in signing in and for wearing masks when you enter the school grounds. This will obviously continue for as long as Delta Level 2 lasts. We continue to prefer parents don't enter any classrooms or buildings, including the office during Level 2. Please call (03 348 7492) or email (admin@ilam.school.nz) with any queries. If you wish to talk to your child's teacher, please email them initially. We will review this situation next week and update you.

Next week will continue to see a focus on children washing, drying and sanitising hands after playing outside/before and after eating as well as being supervised while they eat in their classrooms. We continue to ask that children are collected as soon as possible after 3:00pm and DO NOT play at school.
